

## Seminar Organized by Network 22: Research in Higher Education (EERA)

Dear colleagues,

This October 2023, the special Issue: **An international exploration of post-phd careers. Discussing the issues of employability and intersectorial mobility** was published in Studies of Higher Education and most papers are available on open access:

<https://www.tandfonline.com/toc/cshe20/48/10>

In order to draw attention to several of the important themes discussed as well as to share the research further, we are organizing an **online research seminar** (see the program below) on the **20<sup>th</sup> of November, 14:00 – 16:00 hours (CET time zone)**

We invite all colleagues to participate using the **following link**:
